Blacksburg  
New School

Summer 2017

# Summer Scholars

## Daily Schedule

The Summer Scholars Session runs from 9:00 am to 3:00 pm. Optional afternoon program is available Monday through Thursday from 3:00 pm to 5:00 pm. BNS staff will be on site to supervise children starting at 9:00 am each morning.

Children will need to bring a lunch and snack. No candy or soda please.

## Age Accommodations

Youth Summer Scholars Programs are for children ages 5 to 12. **Game On!**, **All About Art**, and **Math Unplugged** sessions are offered to middle school students.

## Cost

The cost is \$170 for each session. Please add \$10 art supply fee for *You the Artist*, \$15 for *All About Art*.

Please send registration forms and checks payable to BNS to:

**Summer Scholars**  
Blacksburg New School  
2500 North Main St.  
Blacksburg, VA 24060

*Acceptance is on a first come basis. Sessions will be marked as FULL on our school website as they fill up. Please check [www.blacksburgnewschool.org](http://www.blacksburgnewschool.org) before sending in your check and registration form. You can assume that your registration has been accepted if you do NOT hear from us. Your processed check will be another indicator. An email of confirmation/information will be sent to everyone by June 1. Please feel free to send any questions between now and then to [tjstonebns@gmail.com](mailto:tjstonebns@gmail.com).*

## For More Information

# Summer Scholars

## Session I: "You the Artist"

June 12 – 16

Join us for a fun-focused exploration of art, art, and more art. Rotate through project centers led by BNS Art teacher, Patti Rowland. Multiple art sessions every day! (Additional \$10 supply fee for this session.)

## Session II: "Are You Game?"

June 19 – 23

Ready, Set, Let's play games! Indoor games, outdoor games, board games, imaginary games, word games, number games, games from other places, and games from long ago. Games, Games, Games!

## Session III: "¡Hablo Español!"

June 26 – 30

Enjoy the beauty of the Spanish language. Learn vocabulary while engaging in games, activities, art, music, and culture. This session will be guided by our BNS Spanish teacher, Corinne McCoy, and will include a variety of discussions, stories, songs, crafts, guest speakers, and more.

## Session IV: "We the People"

July 3 – 7

Not vacationing this week? Come have fun learning about US History and Government through lively stories and discussion. We'll learn about the 3 branches of government, write our own Constitutions, declare our independence, explore the science of fireworks, and make red-white-and-blue decorations!

### BNS Mission Statement

The mission of the Blacksburg New School is to serve its students, teachers, and parents by providing a cooperative educational environment. We are committed to academic and civic excellence, to individual and community responsibility, and to the love of learning.

### BNS Diversity Position

The Blacksburg New School does not discriminate against employees, students, families, or applicants on the basis of race, ethnicity, gender, gender identity, gender expression, physical disability, age, national origin, religion, sexual orientation, physical appearance, or political affiliation.

## Session V: "Math Unplugged"

July 10 – 14

Yes! An awesome Math Camp! This week will be filled with numbers and designs. Get ready to enjoy puzzlers, tessellations, tangrams, fun computations, and all kinds of patterns. We'll provide extra reinforcement of basic skills and drills. And we'll explore mathematics through fun literature.

### Teen Sessions

## Session I: "Game On!"

June 12 – 16

Back by popular demand: A game week for middle schoolers! Join us for hours of fun playing all kinds of games including board games, legacy games, card games, and try your hand at game design. This session will be led by our BNS Middle School teacher, Jared Bond.

## Session II: "All About Art"

June 19 – 23

Have an interest in art? Join BNS Art teacher, Patti Rowland, for a fun, art-focused week. Experiment with a variety of materials to explore and expand current knowledge. (Additional \$15 supply fee)

## Session V: "Math Unplugged"

July 10 – 14

Get ready to enjoy puzzlers, tessellations, tangrams, computations, and all kinds of patterns. We'll provide extra reinforcement of basic skills and drills. And we'll play cards, measure for building, and explore mathematics through literature. This session will be led by our BNS Middle School Teacher Molly Lucier.
