

Purple Room Spanish Curriculum
Sunshine Spanish
Corinne McCoy

Materials:

- Rosetta Stone
- Supplemental material such as books, music, videos, games, and prompts

Description: This is a small, individualized class. Students will use Rosetta Stone's Spanish language program to build proficiency in listening, speaking, and writing skills. Students who work through the levels will be given the corresponding High School Spanish credit.

Evaluation: The student's grade in this class will be determined using the following criteria:

- In-class participation: (50%): Participation in Spanish is essential to improve language skills. Willingness to use the language in the program is expected. Keeping a good attitude and an open mind is very important.
- Completion of material (50%): Students are expected to use their Spanish time (45 minutes four times a week) entirely for Rosetta Stone. Weekly meetings with the Spanish teacher will be used to determine students progression through the material.
